

Bar Mock Trial Competition National Final

The OLSPCK Bar Mock team 2017-18 really outdid themselves this year. They successfully competed in the regional Bar Mock Competition at Belfast Law Courts in November 2017 and, as the highest scoring school, won through to the National Finals at Cardiff Crown Court in March 2018.

In the face of very stiff competition from 18 regional finalists from right across the UK, the OLSPCK team equipped themselves admirably. They came 3rd in the national competition and advocates and witnesses from our team were singled out for particular praise by some of the UK's most senior barristers, including Professor Herbert Kerrigan QC. We had a wonderful weekend in Cardiff and are extremely proud of our students!
