Golden Goals Competition - UEFA Champions League Final

Every Goal Scored (00.01 – 90.00) is a Winner

£2,500 prize fund

1. The PTA is organising a raffle type event based on the outcome of the UEFA Champions League Final to be held on Saturday June 1 at 20.00GMT;
2. As with all PTA events, funds raised are for the benefit of OLSPCK and its pupils;
3. The PTA will seek to sell 5,400 tickets for the raffle, one ticket for each second of the 90 minute match;
4. No tickets will be sold to anyone under the age of 16;
5. Each ticket will be uniquely time stamped from 00:01 to 90.00;
6. Tickets will be sold at £5 each, which is a £1 raffle entry and £4 voluntary contribution to the PTA;
7. Tickets will be sold randomly ie ticket purchasers will not see the tickets or ticket times before purchase;
8. A prize fund of £2,500 will be shared among the ticket holders correlating to the exact second of each of the goals scored, provided those goals are scored within the 90 minutes of normal time. Eg if 2 goals are scored within the 90 minutes of normal time then the holders of the time stamped tickets correlating to the times of the 2 goals scored will each win £1,250; if only one person holds a ticket for a goal scored within the 90 minutes of normal time then a single cash prize of £2,500 will be awarded to the time stamped ticket.
9. For the avoidance of doubt, unsold tickets will not share in the prize fund. Eg if 2 goals are scored within the 90 minutes of normal time but only one of the tickets for those goals has been sold, then the holder of the sold time stamped ticket correlating to the time of one of the goals scored will win the entire £2,500 prize fund.
10. Goals scored in Injury Time (first half or second half), extra time and/or a penalty shootout will not count, as there are no tickets correlating to these times.
11. If no goal is scored in the 90 minutes of normal play all of the tickets sold will be put into a draw, 5 tickets will be selected randomly and a cash prize of £500 be awarded to each.
12. The times of the goals scored will be verified by our independent source and will be announced, if possible, at the PTA Social Event on June 1, where the match will be shown, or as soon as practically possible after the event. Results will be published on the PTA page on the OLSPCK website and on the PTA Facebook page. The PTA will contact the winners.
13. In the event that no goals are scored in the 90 minutes of normal play and we proceed with a random draw, we will seek to do this at the PTA Social Event on June 1 as soon as practically possible after the match is over.
14. The time of goals scored will be determined by the PTA in conjunction with our independent source.
15. The decision of the PTA is final.
