1. Rationale

In keeping with our Catholic ethos, Our Lady and St Patrick's College, Knock is committed to helping others, particularly in times of need. We recognise the importance of fund-raising to enhance and enrich the school learning environment and in promoting our students' involvement in the local, national and international communities. In line with the College's Mission Statement, fund-raising provides students with the opportunity to work together as "a supportive Christian community", "to play an active and responsible role in society" and "to use their talents for the service of others".

2. Aims

1. To enhance and enrich the school learning environment.
2. To provide students with the opportunity to work together as a supportive Christian and Catholic community.
3. To promote initiative and leadership skills within the student body.
4. To encourage students to play an active and responsible role in society.
5. To promote the use of students' talents for the service of others.

3. Roles and Responsibilities

Mrs P McCarthy (Charity Coordinator) is responsible for coordinating College fund-raising activities. All students and staff are encouraged to participate in College events, taking a lead role where appropriate. Tutors have a particular responsibility for working with their respective tutor group to promote major annual fund-raising events.

4. Charity Events

The College promotes three major* annual fund-raising events which involve the majority of the student body. These charities are given priority and it is expected that no other fund-raising events should be arranged during these key times. The College is also committed to assisting others in the event of a major international disaster by holding a one-off collection. Charities should be chosen which are shown to spend as little as possible on administration with the vast percentage of funds raised going directly on action.

Month	Event	Charity
September/October	Minor events	Habitat for Humanity
October	Junior School Sponsored Walk*	Fr Tony Coney, Peru
November/December	Christmas Hampers/Non-uniform Day*	St Vincent de Paul
December	The Justice Group	Charity chosen based on campaign
March/April	Lenten Campaign/Non-uniform Day*	Trócaire

Other minor fund-raising events may take place in September, January, February or May and will be limited to supporting a maximum of three approved charities.

5. Organising an Event

Staff and students are required to liaise with Mrs P McCarthy well in advance of any proposed fund-raising event. Initial information should include details of the proposed activity and the name of the charity which will benefit from any funds raised. Care must be taken to ensure that nominated charities use funds in keeping with the College's ethos, Mission Statement and Aims. When an event has been approved by Mrs P

McCarthy (Charity Coordinator) and Ms G McCarthy (Vice Principal), the teacher-in-charge should organise adult supervision of all fund-raising activities and liaise with the College Business Manager and Mitie staff to book accommodation, transport, etc. After the event, the teacher-in-charge should promptly inform Mrs P McCarthy of the proceeds raised and forward these to the respective charity via the College Business Manager's Office. Collected funds must be accurately recorded, accounted for and kept securely under lock at all times. Events should be publicised via the College website, Twitter and Communiqué.

6. College PTA

The College PTA was founded on the 15th June 2010 and became one of the first post-primary schools to gain charitable status on 28th August 2014, adopting the Model Constitution of PTA UK. Its vision is to create an Association which would bring together different sections of the school community with the common goal of providing 'Excellence through Care'. It is now an integral part of the College Community. All parents and members of the school community are encouraged to become involved.

The PTA promotes the Student Voice and encourages students to promote PTA events. Students act as a conduit between the PTA and parents, informing them about events. They also encourage their parents to join the PTA Committee. Our students also play an important role in ensuring the success of events by promoting and selling tickets.

7. Annual Report

In September, an annual report on College fund-raising activities for each academic year will be compiled by Mrs P McCarthy (Charity Coordinator) and forwarded to the Principal. Details will be included in the Annual Report to Parents.
